

Tschechien News

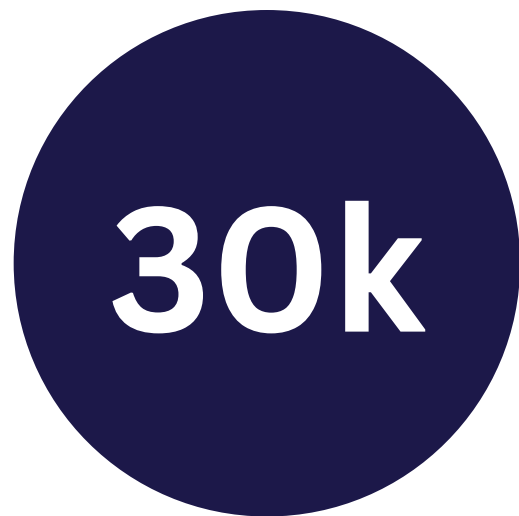

**Media Kit
2024**

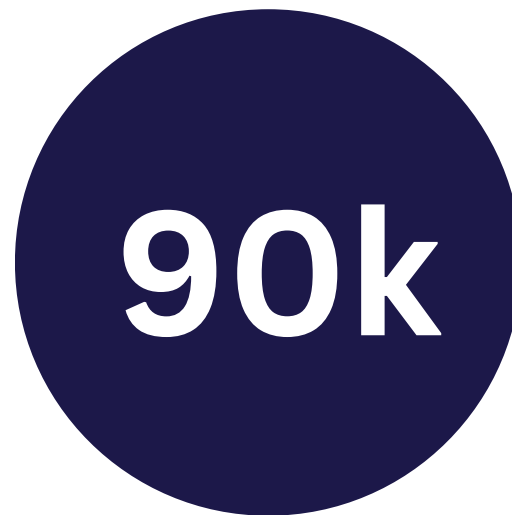

News, business and entertainment in Prague and the Czech Republic, that and much more is Tschechien News (TN)

Tschechien News (TN) is a German-language online newspaper that reports on what is happening in Prague and the Czech Republic. Thematically, Tschechien News deals with politics, economics, culinary arts, culture and tourism - especially with reference to the Czech Republic's German-speaking neighbouring countries.

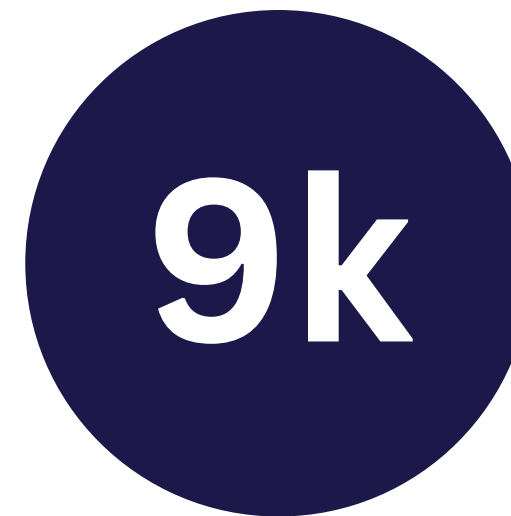

**For over two years now (since March 2022)
Tschechien News (TN) informs readers about
news, information and entertainment from
Prague and the Czech Republic.**
